

## Principal Report

March 7<sup>th</sup>

1. Author Visit - Thank you so much for your generosity – the author visit is tomorrow. The students are very excited.
2. Upcoming Music Adjudications - We are very proud of the hard work of our many students in our music program. We are excited to support them through the upcoming adjudication/assessment process.
3. Parent/Teacher Conferences – We look forward to conferences and welcoming our families. If you weren't able to schedule – please contact the teacher directly for more information or alternate arrangements.
4. Student Advisory Group Updates - Grade Levels are in the planning phases of their projects:

*6<sup>th</sup> Grade – Working with Ms. Hamilton on a Library/Media Cart with request forms and returns. Their goal is to increase reading among classmates.*

*7<sup>th</sup> Grade - Working with Ms. Mayhew - want to spend a few hours as a grade filling backpacks with school supplies and non perishable foods for elementary school students for the summer. We will update you when the drives for these supplies start.*

*8<sup>th</sup> Grade – Working with Ms. Marker to plan their year-end activities.*

5. MISA Testing - Science Testing for 8<sup>th</sup> Grade Students begins at the end of the month (Tentatively March 28<sup>th</sup>).
