Principal's Report

Please remind students to take time with exams. 8th grade students in Geometry and Algebra will not test this round. Algebra will test in the spring. Geo students do not test at all this year.

1/9 Middle School Information Night in Cafeteria.

Thank You - A huge thank you to Giant Foods and all PTSA volunteers who assisted with meal distribution. 25 full holiday meals as well as over 500 meal boxes were distributed among the OM community. Every school in the cluster was supported as well as several other schools.

Mid Year MAP Testing - Mid Year MAP testing begins next week - dates/details will be distributed in this week's newsletter. Please encourage students to take their time when testing, so we can get an accurate picture of progress.

Mentor Program - OMMS is beginning a mentor program for students in mid to late January. Students will be paired with staff members from OMMS. Staff will review interims/report cards/MAP scores etc with students. They will also work on goal setting, make phone calls home; mentors will also eat at least one meal (breakfast or lunch at school) with the student each month. Permission slips were sent home prior to break - parents who are interested in having their students participate can also request a form (or use one from the newsletter this week) to have their student sign up. All activities are during the school day.

Goal Templates - On January 12/13 students will complete templates that reflect their goals/strengths etc. This will be done during HR. Teachers will collect the templates; they will be laminated and students will be able to hang them in their lockers for daily positive reminders! There may also be some other encouraging surprises planned as well!

Middle School Information Night - OMMS will host an information night on January 9th for incoming 6th grade (17/18) Parents and Guardians. The event will be at 6:30 p.m.

President's Report

Dec short month. Attended IEQ mtg. School did fantastic and it was hard to find any errors. One area was discovered and the county is investigating (a type of marking on the wall). Our custodians do an amazing job!

Attended the Oakland Mills Community Association Meeting. Working on model survey to be pushed out to get feedback on ESM model. Looking to Feb/March.
